Welcome

The Leonardo da Vinci Centre is proud to offer summer camp to children who have completed kindergarten through grade six. Our main focus is to keep your children's minds & bodies active all summer long.

Activities

Rain or shine, campers will enjoy playing a variety of cooperative games organized by their monitors. On a weekly basis, your children will have the opportunity to participate in the following activities lead by a specialized animator.

Theme days, special guest performances, aquatics, and other educational activities are planned to inspire and motivate your children this summer. The facilities available to us are: theatres, gymnasium, dance studios, arena, city parks, pools and library. Campers will acquire teamwork skills, develop leadership roles, and create memories that they will cherish even after their camp days are over.

Staff

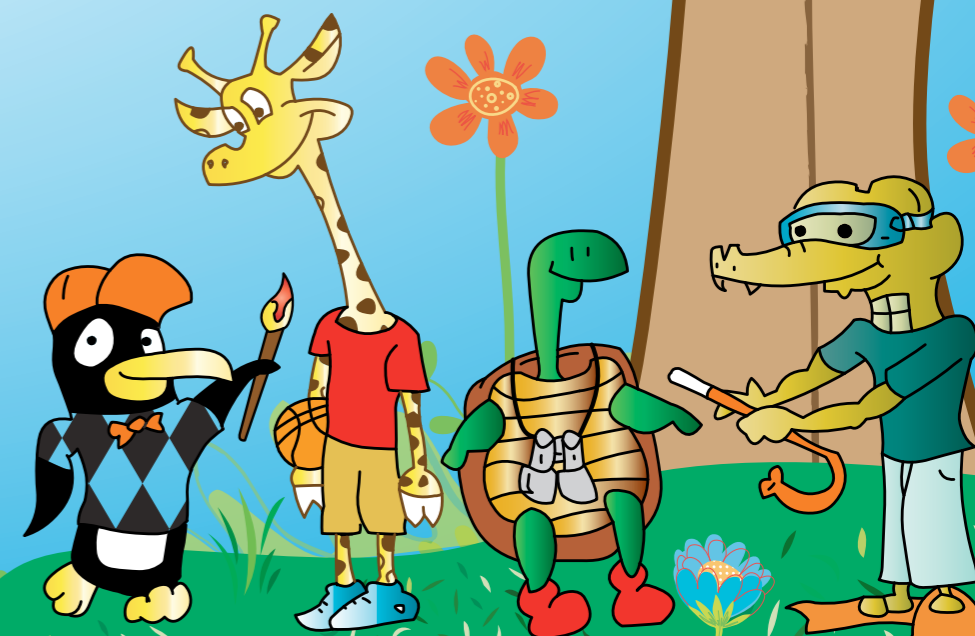

Your children will benefit from a friendly, caring environment provided by an outgoing, responsible and energized staff. Our monitors who have received their **First Aid & CPR** certification are eagerly awaiting your children's arrival.

Let your children experience another world this summer at...
